

Discovery Days

Wind Lake March 2021

FROM THE DIRECTOR

Welcome March!

February was a quick month but full of fun events! We had Mr. Rick visit with his Awesome Teeth Show and enjoy Valentine Day festivities We wrapped up February with parent/teacher conferences! We appreciate your partnership in providing quality care.

Please expect a "Teacher Highlights" giving information about the teachers we have on staff for the next few months and as we hire new teachers, we will also send an informational sheet!

Reminders:

Schedules: A reminder to please notify me if you have any schedule changes so that we may schedule accordingly.

Snow: Please be sure to send appropriate gear with your child so that they may go outside daily.

Summer Confirmations: Thank you for your summer confirmation forms. Depending on interest, there may be room changes-we'll keep you posted.

I will be on vacation 03/26-04/06. Upper management will be covering the office during that time. Please email me any schedule changes for that week by March 19th.
