FROM THE DIRECTOR

Happy March!

This month we are going to explore many different themes! We are very excited to have Mad Science coming to visit us during Dino week!

Spring is around the corner too. It can be a tough time for weather and getting our kids outside, however our teachers do their best to incorporate fun activities when outside time is not an option.

Though my family is an outdoor family, we do enjoy snuggling inside with a good movie or even making our own blanket fort! What indoor activity does your family do during the rainy (or snowy) springtime?! Whatever the activity-just be sure you are getting special time with your family!

Best,

Mrs. Maggie

“Educating the mind without educating the heart is no education at all.”

Aristotle

THE MONTH AHEAD

3/2: Dr. Seuss Birthday-Share your favorite story!

3/17: Saint Patrick's Day

3/20: First Day of Spring

REMINDERS

Field Trip March 25: Mad Science Dino Exploration

9-930 Robins2

945-1030 Hawks

1045-1130 Eagles

Permission slips will be posted outside the classrooms.

SCHOOL AGE

Spring Break is around the corner.

Please contact us ASAP, as we are at capacity this year and have very limited space for school age children.

Thank you! Summer planning is under way!
